

## 2008 Junior Doubles League

The purpose of the junior doubles league is to introduce boys and girls to tennis competition in a fun format and teach them in a playing situation about positioning and the tactics of doubles play.

Coaches are encouraged to coach strategy and positioning during a 3 minutes break after the fourth game, where mutually agreed to by each team. This league is an introduction for Juniors into interclub play, teaching juniors good sportsmanship and how to be ambassadors for their club both at home and away.

Host clubs are responsible for providing balls and a light post match refreshment.

Each participating club fields a team consisting of 3 U12 doubles pairs at 5 pm and 3 U18 doubles pairs at 6 pm. each Saturday **starting May 3th**. Please try to field a minimum of one girl per week on each team. Children need to understand basic scoring and have a functional serve. Participants can only play for one team within a season.

The season will finish with a City Wide flighted tournament **June 14<sup>th</sup>**. Participants must have played at least 2 regular season matches to be eligible for the June 14<sup>th</sup> tournament.
