Company Background

ACE Tennis is committed to the development of excellence in youth through the sport of tennis. We offer leading edge tennis training and competitive programs for individual development in a supportive educational environment. We provide specific progressive programs for players of all levels and commitment. Our competitive programs are designed for players hoping to compete at a provincial, national and international level. We are committed to each player reaching their tennis goals whether it be for a university scholarship, or to compete at the professional level.

Position Summary

We are looking for an individual who is motivated to pursue a successful career as a coach and a leader and wants to be a valuable contributor to the growth and development of recreational and competitive tennis for young players.

Starting as a coach in our Progressive and Competitive streams, the main goal of this role is to introduce more kids in the community to tennis, to nurture their love of the sport and to influence more youth to pursue the competitive stream.

The position will provide a strong pathway for the coach to develop their skills and experiences through a wide range of on-court coaching within our progressive and competitive streams, as well as working in a collaborative team environment with a wide range of professional development opportunities.

ACE is looking for coaches with strong interpersonal skills: an ability to motivate and inspire, energy and enthusiasm, creativity and initiative, exhibition of our values and personal characteristics of Professionalism, Excellence, Respect, Teamwork, Discipline, Pride and Courage.

Application Deadline: The position will be filled once a suitable candidate is found.
