

# ***Court Contractors - the Official Court Builder and Surfacer of the OTA***

**Court Contractors is one of the leading court construction companies in Canada. Operating since 1973, the company has been constructing and resurfacing courts in homes and athletic centres across Canada, including many OTA member clubs. The staff is composed of two Professional Engineers (Civil) and a Certified Tennis Court Builder with the American Sports Builders Association. Services include construction and resurfacing. The family owned and operated business values its customers and strives to offer top quality service. It offers a five-year crack-free guarantee.**
