**POLICY STATEMENT**

The OTA is committed to diversity, inclusion and accessibility for persons with disabilities. The OTA is committed to ensuring that its policies, practices and procedures are consistent with and promote the core principles of dignity, independence, integration and equal opportunity.

**SCOPE:**

This policy describes how the OTA’s accessibility standard and practice relates to Management, staff and volunteers in terms of providing its programs, goods and services in a manner that respects the dignity, independence, integration and equal opportunity of persons with disabilities. This policy is applicable to OTA management, staff, board members and volunteers directly involved in the activities of the OTA but is not applicable to activities, tournaments or events sanctioned by the OTA where no OTA management or staff is physically present at the activity, tournament or event in question.

**DEFINITION:**

The Accessibility for Ontarians with Disabilities Act (AODA) and the Ontario Human Rights Code share the same, extensive definition of a disability which can be summarized as a...

- Physical disability: disfigurement or infirmity (temporary or permanent) due to injury, illness, or birth defect - including hearing and vision loss.
- Developmental disability: A condition of mental impairment.
- Learning disability: Dysfunctions in processes involved in understanding symbols or spoken language.
- Any mental health disorder.

**CUSTOMER SERVICE**

The Ontario Tennis Association (OTA) is committed to excellence in serving all customers including people with disabilities. As part of our commitment to providing access to our services for all customer, OTA will seek to remove obstacles faced by individuals with disabilities at our permanent offices and through our communications. The OTA office is situated on the ground floor of a fully accessible building for wheelchairs and other assisted walking devices with easy access to street level entryways using stairs with handrails and ramps. The OTA will follow the accessibility standards set for inclusive design in all future builds.
