INDEX OF CHANGES

Effective Date	Description of Change
April 13, 2013	<ol style="list-style-type: none"> 1. Updates to Sections 10, 11 and 12 of the OTA By-laws which simplify the requirements for Disciplinary Action, Rules of Competition and Ranking as they relate to the OTA competitive structure. All sections have been outdated for many years and do not reflect the current policies and procedures of the OTA 2. Create new section 8.04 describing the creation of "Other Committees" the Executive Committee may raise from time to time 3. Enhance Section 9 to clarify procedures for regions and regional committees. In particular, clarify meaning of Active/Inactive regions, autonomous regions and procedures for elections and voting of non-autonomous regions
April 14, 2012	<ol style="list-style-type: none"> 4. Rename "the Canadian Tennis Association" to "Tennis Canada" in sections 10.01, 11.01(b) and 1.01 5. Fix typographical error in section 9.04 6. Update methods by which the OTA communicates with its members in section 13.01 7. Introduce two new definitions: Inactive Region, Autonomous Region in section 1.01 8. Clarify situations in section 5.10 where a substitute VP or regional chair attends only one or two OTA Board meetings and doesn't possess the knowledge, background or continuity to properly represent that position at a Board meeting. 9. Provide more flexibility to the chair of the regional committee in assigning representation on the nominating committee in section 6.01. As last recourse, if no one from the regional committee is able to act, then it is left up to the chair of the nominating committee or the President to decide who will represent that region, rather than the chair of the regional committee. 10. Provide clarity to the existing standing committee for Membership and Regional Development (M&RD) in section 8.01. This standing committee is known as "Regional Council", so these changes identify the name directly and move the wording to section 9.07. The mandate of the committee remains unchanged. 11. Wording for the appointment of M&RD committee is moved to new section 9.07 12. Provide rationale behind the formation of regions and regional boundaries in Ontario by combining sections 9.01 and 9.02 into one new updated section 9.01 13. Introduce new section 9.02 to emphasize the importance of regional accountability to the Board with regard to finances, activities and initiatives. Emphasizes the role the OTA has in supporting inactive regions. 14. Introduce new section 9.07 by describing the chair, membership and frequency of meetings for the Regional Council. Changes the minimum frequency of these meetings from four to two. 15. Reduce the minimum requirements to the size, meeting frequency and makeup of the regional committees in section 9.06. These changes do not diminish the importance of the role of the regional chair, but do allow for greater latitude in dealing with diverse geographic regions. 16. Introduce new section 9.09 describing the Term of Office for the regional committee. The wording is moved from old section 5.03(b). 17. Describe the meeting frequency of the regional committee in section 9.04 and reduces it from four to two times per year. 18. Update section 8.04 by removing wording related to frequency of meetings for regional and standing committees, as this detail is already included under Section 9 for regional committees and Section 8 for each specific standing committee. Removes wording describing distribution of meeting minutes; 19. Introduce new section 9.08 to describe the calling of meetings for the regional committee. This wording is a copy of the same wording from section 8.04. 20. Simplify the description of the mandate of the standing committee for Player Development in sections 8.01 and 8.03, and includes the meeting frequency. Eliminates the requirement of a standing committee for Marketing and
