RESOURCES FOR FACILITIES MANAGEMENT

Last Updated January 1, 2023

Funding

One of the major issues with upgrades to a facility is funding. Many clubs have received funding from the Ontario Trillium Foundation for facility improvements. Check out the capital grant stream on www.otf.ca. Contact the OTA office if you need a Letter of Reference to supplement your application for a grant, or to get further advice.

Tennis Canada in conjunction with Tennis B.C. has produced a detailed manual primarily for people considering building a new indoor facility. Many sections of this comprehensive manual have useful information for people concerned with the facilities aspects of tennis. This manual, called Finding the Sweet Spot, is available on the Tennis Canada website [HERE](#).
